Dear Families of Loudonville-Perrysville Exempted Village School District,

This letter is to inform you of an important change in the school lunch program for the 2022-2023 school year. This past school year (2021-2022) the federal government provided all school children with lunch and breakfast free of charge. **However, next school year this free-for-all school lunch program will end.**

Starting next school year, Aug 23, 2022 students will be charged for school lunch and/or breakfast each day.

We encourage **all** families to complete the Free and Reduced Lunch application as soon as it is available for the 2022-2023 school year. Even if families think they will not qualify for it, we encourage all families to complete the application. District federal funding is based on the applications submitted. The district appreciates everyone's help in completing the application which in turn helps the district.

The application will become available in July. Please watch for communication from the district for the application. If you need help completing the application when it is released, please contact the Ms. Koppert at 419-994-3912 or Mrs. Blanchard at [lopr\\_blancha@tccsa.net](mailto:lopr_blancha@tccsa.net).

Thank you and have a great summer,

Loudonville-Perrysville EVSD
