
The annual Holiday Craft Show sponsored by LHS Project Support will be held Saturday, November 18, 2017, from 9am to 2pm. Project Support is a high school organization that provides educational assistance and support to students with special needs. Through your generosity, Project Support has funded educational and career related field trips, provided extra classroom materials needed by special educators, rewards for meeting classroom expectations, and provided holiday care baskets for students that meet the designation of economically disadvantaged.

If you know of any crafter who would be willing to help support our endeavor, please pass along our contact information.

If you have any suggestions or ideas, please feel free to call or email.

Thank you again for your support!
